Subject: West Virginia Inquiries

All,

Attached are a spreadsheet of the inquiries we have received thus far, and a Word document outlining the questions we have been asked, and anticipate being asked. Most of the inquiries are listed as “open”, as we have replied to some parts of their inquiries, but not others. Tomorrow on the call, let’s discuss who is best able to respond to the open questions.

Let me know if you have any questions in the meantime.

Alisha Johnson

Deputy Associate Administrator

Office of External Affairs and Environmental Education

U.S. Environmental Protection Agency
